A STANDARD HISTORY BY

GEN. LEE.

A Work of National and Permanent Value.

MEMOIRS OF THE WAR,

By Gen. Henry Lee.

("LIGHT HORSE HARRY")

Thoroughly Revised and Annotated, BY GEN. ROBERT E. LEE.

WHO HAS ADDED A FULL BIOGRAPHY OF HIS FATHER.

1 vol. octavo, 640 pages, with new Steel Portraits of Gen Henry Lee, Gen. Robert E Lee, and Gen. Nathaniel Greene; beautiful Steel Engravings of "Marion Crossing the Pedee," and the "Surrender of Cornwallis;" Maps of the Siege of Charleston, S. C; the Siege of Yorktown, Va.; the Battle fought near Camden; the Battle of Guilford; the Battle of Hobkirk's Hill; and a sketch of Gen. Henry Lee's residence.

This admirable history of the operations of the American Armies during the Revolutionary War in the Southern Department of the United States, is the standard work on the subject of which it treats; and this new edition, revised, corrected, and enlarged by Gen. Robert E. Lee, the distinguished son of the author, and embellished by elegant Engravings, and original Maps never before published, is a volume of the highest value to every Intelligent person.

This history has been for a long time out of print, and because of its accuracy as a history of that interesting period and that there was no work to supply its place, it was much sought for and a new edition demanded.

It is seldom that a historical work by a distinguished author has the advantage of a revision by so distinguished a son, and both of them great military leaders in the same section of the country.

Gen. Lee receives A LARGE COPYRIGHT UPON EVERY COPY OF THE BOOK SOLD. Sold only by subscription.

PRICE:—Handsomely bound in Cloth, $4 00.

LAPSING INTO BARBARISM.

Nations like individuals have their youth, manhood, old age and decay. The Greeks and Romans are not what they were, they went to the bottom of the hill before they were conscious they were on the decline.

A quaint, despondingold man, who never believed in republican government, said to us the other day that we were the most corrupt people on earth; we told him he meant government, not people; that if he would say government we would agree with him. We added that the last time the late Chief Justice Nash, of blessed memory, talked with Nathaniel Macon, it was at Oxford Court, forty years ago.

Mr. Macon, then an old man, who had done the State good service and retired from Congress, with great earnestness and concern declared, "our government the most corrupt in the world," and yet the government was then in its infancy. What would that honest old apostle of Democracy say, if he could now look upon our State and Federal capitols? would he not exclaim with Cassio, when lamenting the degeneracy of his race, "Age, thou art ashamed, Rome, thou has lost the breed of noble blood." We listened patiently to a long disquisition from this quaint old man, who declared the people had sunk into the dead repose of despotism, they would not defend their liberty or property, they were quietly waiting for Grant or some military chieftain to proclaim the Empire and give them a promise of protection in person and property. He declared the Legislature had already usurped the government, by perpetuating themselves and their term for four years, and the people had submitted. We had heard this old man talk in his extravagant way many a time before; despairing of convincing, we sought to humor him in his foolish fancies, when he repeated, for the third time, we were "lapsing into barbarism."

We pulled from our pocket the following notice, taken from the Court House door of Gaston county, the home of our civilized Treasurer, Dave:

"NOTICE!

NOTICE!!

NOTICE!!!

THE GASTON COUNTY PAUPERS WILL BE SOLD to the lowest bidder for the ensuing year, on the first Monday (being the 1st day) of November next.

CYRUS C. WITHERS, Clerk.

DALLAS, N. C. Oct. the 7th 1869.

BARRINGTON & FORD, PRINTERS."

The old monarchist looked and read with astonishment, then he cursed right out, like Uncle Toby in Flanders, or Governor Holden in the Capitol, and swore it was corruption in us to deny that we were lapsing into barbarism when we carried the evidence in our pocket. Lest our readers may think this paper a forgery, we avow it was given us by a respectable gentleman of that county, who assured us it was a genuine and official document.

We suggest to Treasurer Davie, that at the next sale of human beings in his county, to the lowest bidder—that he put Abbott and Laflin on the block. Judge Cantwell may bid for Abbott, New Hanover or Craven may bid for Laflin; they can buy him without any offence to Pitt County, for Pitt can't keep him at home. A Pitt man says if ever he does come home they are going to bell him.

We hope Laflin will not die on the hands of the people of Pitt, for the State would, as in the case of Senator Rich, of New Hampshire, send him to New York, for burial. We were amazed at one of the hands, when Laflin and a Legislative committee had gone to New Hampshire, with the remains of a Pitt county Senator at State expense, wishing that Sinclair, the fighting parson, and member from Robeson, would die, for he knew he would go to Heaven, and he (the hand) would get on the committee to take his remains to Scotland, his native land. We have no idea the pious parson would swap two places for one, and that so far off, he might lose his way in hunting it.

GEN. DOCKERY AND THE STANDARD.

The *Standard* is severe on the Penitentiary Board, especially on Gen. Alfred Dockery, and all, ostensibly, because the Board appointed Dr. Wm. G. Hill, a gentleman admitted by the *Standard* to be qualified socially, intellectually and professionally, as physician to the Penitentiary. We say *ostensibly*, because we do not believe the appointment of Dr. Hill is the real ground and cause of the war that has been opened on the Board. It is, we believe, in consequence of clamors from parties who expected but failed to obtain *fat slices* from the Penitentiary appropriations in the way of contracts, official appointments, &c.—They have failed, we say, and there's where the shoe pinches. It matters very little how Gen. Dockery spells "Penitentiary," so long as he and the Board take care of the money for which the people are taxed to build it. (By the way, that attack upon the General's orthography is so much like the attacks the *Standard* used to make on it, that we must think it was suggested by the Governor—it is exactly the way in which he attacked the General, *lang syne*.)

We have little disposition to fight the battles of Gen. Dockery or the Penitentiary Board—they are able to take care of themselves; but it does seem strange to us that the *Standard* has no word against the swindling that is going on almost openly through out the State, and yet pitches, with a perfect vengeance, into the only department against which not a breath of suspicion has been raised by friend or opponent, as to the management of the money at their control or the conduct and progress of the work under their charge, *professedly* because a gentleman, every way qualified, according to its own admission, but not of the *party*, has been appointed to an office by the Board.

The Legislature of North Carolina.

SENATE.

FRIDAY, Nov. 26, 1869.

The Senate was called to order at 10 o'clock.

Mr. Richardson, presented a petition from Col. Walter F. Leak, setting forth: That some time in 1862. He purchased a couple of $1000 bonds from a Director of the W. C. & R. R. R., at a *premium of 5 per cent.* That said bonds were issued under an act to secure the completion of said Road, the 16th day of Feb. 1861. The petitioner states further that some time during the same year he purchased from the State of N. C., five bonds of $1000 each issued under an act to provide ways and means for supplying the Treasury, issued the 20th of December 1862. He asks the Legislature to consider this subject, and give him what is right in the premises.

REPORTS OF COMMITTEES.

The following bills were reported from appropriate committees. Viz:

Bill to repeal an act to establish a Turnpike Road from the town of Marion, to Asheville, recommending that it do not pass.

Bill to define the duties of the county Commissioners in certain cases, reported amendments.

Bill to amend and consolidate the several acts for the organization and government of the University, recommending that it do pass.

Bill to require the Judges of the Superior Courts to open their Courts of each term on Monday, and the bill relating to the duties of the Superior Court Judges, recommending a substitute for both bills.

Bill to charter the Granville Railroad Company, reported amendments.

Bill to provide for the funding of the Public Debt, recommending that it do pass.

Bill to authorize the Commissioners of Perquimans county to issue bonds, recommending its passage.

Bill to amend an act relating to salaries and fees, recommending that it do pass.

A message was received from the House transmitting a joint resolution relating to the special tax on brandy and tobacco, urging the Representatives of this State in Congress, to use their influence to have said tax reduced, placed on Calendar.

INTRODUCTION OF BILLS.

By Mr. Respass: A bill requiring the old Banks of the State to receive their own bills in payment of judgments obtained by said banks, placed on Calendar.

By Mr. Burns: A bill to prohibit the sale of spirituous liquors within three miles of Clegg Copper Mines. Referred to the Committee on Propositions and Grievances.

By Mr. Brogden: A bill to legalize the acts of the Chairman of certain County Courts. Referred to the Committee on the Judiciary.

The President ratified an act fixing the *per diem* and *mileage* of the officers and members of the General Assembly, the same as the two preceeding sessions.

Mr. Forkner moved a reconsideration of the vote by which an act to investigate the affairs of the several Railroad Companies passed its second reading on yesterday.—The motion prevailed.

He then moved to reconsider the vote by which the Governor's Commission to investigate was stricken out, and the duty assigned to the Superintendent of Public Works, and it was agreed to:

Those who voted in the affirmative are Messrs. Bellamy, Burns, Blythe, Colgrove, Cook, Davis, Etheridge, Eppes, (colored,) Forkner, Galloway, (colored,) Herrington, Hyman, (colored,) Jones, of Columbus, Jones, of Wake, Lassiter, Martindale, Moore, of Carteret, Richardson, Shoffner, Smith, Stephens, Sweet and White.—23.

NAYES.—Messrs. Barnes, Beall, Jones, of Mecklenburg, Lindsey, Long, Love, Mason, Melchor, Murphy and Scott.—10.

Mr. Ethridge moved that the bill be referred to a special committee to be composed of three Senators.

Mr. Jones, of Mecklenburg, expressed his surprise at the course of the opposition party and of those personally interested in the investigation, in attempting to avoid or stave off a full and fair investigation of this whole matter, he thought that it came with very bad grace from those who represent these roads to favor such action, when he saw that the only proper course for the Senate to have pursued would be voted down. He favored the next best that he could get, that the matter shall be referred to the Superintendent of Public Works, but this was not his choice, and if the gentlemen against whom these charges are made are innocent and wish to clear their skirts they should insist, yes, demand, a legislative investigation, and the least their friends could have done would have been to have let the bill remain in the form it passed on yesterday. Something had been said in reference to the necessity of this investigation. He heard a prominent member of the Republican party assert in a public speech, only a few nights ago, that the people were alarmed, there were rumors afloat and they were almost universal that there was a misappropriation of the funds placed in the hands of certain parties to construct these Roads and that they ("the people") demanded an investigation, was not this sufficient evidence to induce the Senate to go into an investigation. Then why is this investigation pressed with such persistency in one direction. If it does nothing worse it will have a direct tendency to arouse the suspicions of the Public more fully against those who are directly interested.

Mr. Smith said the charges of corruption had not reached his ears until he arrived here, and the Senator from Orange had introduced the resolutions. He recollected that the opposition party had at the last session opposed all these appropriations, and had predicted that this state of affairs would come to pass. He was in favor of going on and pay no attention to such charges, when they come from such a source.

Mr. Murphy said he was tired of hearing party brought into every matter for the consideration of the Senate. The Senator from Wilkes had asserted that the Conservative party was alone responsible for or had brought these charges into the Senate. There had been four propositions made to investigate this subject, one of them introduced by a Conservative and three by the Republican party. So the charge that the Conservatives had alone introduced measures for the investigation of this subject was not true. He thought it was time to stop such foolishness, and the men who made these charges were old enough and ought to have sense enough to know better.

Mr. Beall said, every Senator had indicated by voting for this bill or some other of the various propositions, that an investigation was necessary. The only difference was as to the mode. The present bill on yesterday was adopted by a vote almost unanimous, and now we are surprised with a move to undo our work of yesterday.—He thought a Legislative Committee would insure a fair and speedy investigation, and this mode would be much better than to have a Committee appointed by the Governor, or better than to encumber the Superintendent of Public Works with it.

Because a Senator prefers that the Superintendent should investigate this case the Senator from Granville charges that it is a democratic partizan move. Was not the Superintendent elected by the Republican party by a vote equal to that of the Governor? Did he not stand as high in the party as the Governor? Does not the Senator have confidence in him as a Republican? Now since Republicans and Democrats almost unanimously placed this investigation in his hands how can the Senator denounce the measure as Democratic and partizan?

Although he pretered a Legislative Committee appointed by the President of the Senate, yet as that had failed, he had voted for the Superintendent; and now if this motion to reconsider prevails he would again move for a Legislative Committe, because there are points in this bill not specified in the enumerated duties of the Superintendent.

Mr. Moore, of Carteret, moved to lay the whole subject on the table. The motion was lost.

Mr. Respass moved that the further consideration of the bill be postponed until the 8th of December. Though, he said, he had no preference as to the bed the bill should sleep in, in the hands of the special Committee or through his motion.

Mr. Lindsay said he desired to make only a few remarks before the vote was taken. There had been a plain and simple resolution to investigate the affairs of only one Road, introduced by Mr. Graham, with surprise and astonishment he saw it voted down, and another similar to the first, by Mr. Welker, that was also voted down, and on yesterday, by the unanimity of action in the Senate he thought the question had been disposed of, not suiting the views of all the Senate but as a compromise, and today there is a proposition to reconsider the action of yesterday.

He regretted to think so, but it looked as though there were Senators on the floor who intended to avoid a full and fair investigation, he was sorry to see such a disposition manifested when the people of the State are alarmed in all sections at these rumors of corruption. The Senator from Wilkes living in some obscure valley, perhaps where the sun don't shine even in August more than an hour during the day. May not have heard of these charges, but nevertheless they are made, he hoped the reference would not be made.

The motion to refer to a special committee prevailed, and the President designated Messrs. Etheridge, Love and Respass as the committee.

The following bills came up and were rejected, viz:

Bill relating to the payment of officers fees.

RESOLUTIONS AND BILLS.

By Mr. Jarvis: A resolution declaring that an election shall be held for members of the Legislature, on the first Thursday in August 1870.

G. W. Price, (col) moved to refer to the Committee on Privileges and Elections.

The question recurred upon the motion to refer.

Mr. Durham said he hoped no reference would not be made, but that the resolution would be at once adopted, as the sentiments of this Legislature, &c.

Mr. Pou favored a reference. He had not formed an opinion one way or the other.

The motion to refer, after some little debate, prevailed by the following vote:

YEAS.—Ames, Ashworth, Banner, Barnett, Barnes, Blair, Carson, Carey, Cawthorn, Cherry, Crawford, Dixon, Eagles, Elling ton, Forkner, Gahagan, Gilbert, Gunter, Harris, of Wake, Hendricks, Hodgin, Hoffman, Horney, Hudgings, Justus, of Henderson, Justice, of Rutherford, Kelly, of Moore, Kinney, Leftin, Leary, Long, of Chatham, Long, of Richmond, Mayo, McCanless, Mendenhall, Moring, Moore, of Chowan, Morrill, Morris, Parker, Pearson, Peck, Pou, Price, Proctor, Ragland, Renfrow, Robbins, Reynolds, Simonds, Smith, of Martin, Snipes, Stanton, Stevens, Sweat, Sykes, Vestal, Vest, Waldrop, Wilkie, Williamson, Wilson. By Mr. Proctor: A bill for removing obstructions in Lumber River. Lies over.

By Mr. Pearson: A bill in relation to liquor dealers. Referred.

Mr. Malone moved to suspend the rules and take up the resolution requesting the opinion of the Attorney General on certain sections of the homestead act in reference to the liability of homesteads to execution.

The motion prevailed, and after some debate the resolution was adopted.

SPECIAL ORDER.

The resolution requesting Congress to remove political disabilities in this State was taken up.

Mr. Jarvis offered a substitute, that our Senators be instructed to do all in their power to have disabilities of all in this State removed, and the test oath repealed, and to request our Representatives in Congress, to co-operate to the same end, and instructing the Governor to forward to our Senators and Representatives, copies of the resolutions.

Mr. Malone urged the adoption of the substitute in a few appropriate remarks, which we should like to give in full, but our limited space forbids.

Leary, colored, favored the original resolution.

Mr. Jarvis sustained the substitute in a speech of some length. He dwelt especially upon the necessity and justice of a repeal of the test oath.

The question was announced on the substitute, when Mr. Durham demanded the yeas and nays, which were ordered and resulted yeas 65, nays 21, as follows:

YEAS.—Mr. Speaker and Messrs. Ames, Argo, Armstrong, Barnett, Barnes, Blair, Boddie, Candler, Cawthorn, Clayton, Davis, Davidson, Durham, Ellis, Forebee, Gibson, Grier, Gunter, Harris, of Franklin, Hawkins, Hendricks, Hicks, High, Hinnant, Hodnett, Hoffman, Humphries, Hudgings, Jarvis, Justus, of Henderson, Kelly, of Davie, Lodin, Leary, Long, of Chatham, Long, of Richmond, Malone, Matheson, McMillan, Mendenhall, Moore, of Alamance, Moore, of Chowan, Painter, Parker, Pou, Price, Renfrow, Robinson, Reynolds, Shaver, Siegrist, Smith, of Alleghany, Smith, of Wayne, Snipes, Stanton, Stevens, Sweat, Sykes, Thompson, Vestal, Waldrop, Welch, Whitley, Williamson, Wilson—65

NAYS.—Messrs. Ashworth, Carson, Crawford, Eagles, Forkner, Gahagan, Graham, Hodgin, Kelly, of Moore, Kinney, Mayo, McCanless, Morrill, Pearson, Proctor, Ragland, Rea, Robbins, Simonds, Smith, of Martin—21.

Mr. Pou moved to amend by prefixing to the substitute just adopted, the preamble of the original resolutions, which was adopted after amending by inserting "political and civil" before "equality."

The question was then put on the adoption of the resolution, and resulted, yeas 66, nays 15, as follows:

YEAS.—Messrs. Ames, Argo, Ashworth, Barnett, Barnes, Blair, Candler, Carson, Cawthorn, Cherry, Clayton, Crawford, Dixon, Eagles, Forebee, Gilbert, Graham, Gunter, Harris, of Franklin, Harris, of Wake, Hendricks, Hinnant, Hodnett, Hoffman, Horney, Humphries, Hudgings, Jarvis, Justice, of Rutherford, Kelly, of Moore, Kinney, Leary, Long, of Chatham, Long, of Richmond, Malone, Matheson, Mayo, McCanless, Mendenhall, Moore, of Alamance, Moore, of Chowan, Morrill, Morris, Parker, Pearson, Peck, Pou, Price, Proctor, Ragland, Renfrow, Robbins, Robinson, Siegrist, Smith, of Martin, Smith, of Wayne, Snipes, Stanton, Stevens, Sweat, Sykes, Vestal, Waldrop, Whitley, Williamson, Wilson.—66.

(NAYS.—Messrs. Armstrong, Davis, Davidson, Durham, Ellis, Gahagan, Gilson, Hawkins, High, McMillan, Painter, Shaver, Simonds, Smith, of Alleghany, Thompson. 15.

In voting against the resolution as amended Mr. Durham said that this preamble not only said "political" but absolute "civil equality." He wished to know if gentlemen did not recognize marriage as a "civil" relation, and that in voting for the resolution and preamble, gentlemen did commit themselves to the recognition of the validity of such civil relations. Further, that he would not stultify himself by saying that "the time had now come for the removal of disabilities," for that would imply that they should not have been removed long ago.

Reynolds, colored, introduced a bill in reference to roads, bridges and ferries.—Referred.

By Mr. Welker: A bill to require County Commissioners to meet once a month. Referred.

UNFINISHED BUSINESS.

Mr. Pou renewed his motion to suspend the rules and adopt his resolution, that the House on and after Tuesday will resolve itself into a committee of the whole, to examine alleged railroad frauds.

After some debate the House adopted a substitute, that the House would convene for an afternoon session and go into the committee of the whole, for the purpose of examing the States interest in certain railroads.

Mr. Stevens moved to strike out 3 o'clock to-day and insert half past 3 Tuesday next. The yeas and nays being called the motion was rejected by a vote of yeas 36, nays 39.

J. H. Harris, of Wake, (colored,) moved to strike out "3 o'clock," and insert "1 o'clock."

The amendment was adopted by a vote of yeas 61, nays 13.

Isham Sweat, (colored,) said that they had started out to raise committees to examine alleged frauds, they had dwindled down to nothing—just a mere investigation of the condition of the roads, it was a complete fizzle. He thought corruption and frauds in the management of money appropriated by this Legislature to certain railroads &c. was to be investigated.

Mr. Moore, of Chowan, thought the matter had better be postponed until next week. They should have the report of the Superintendent of Public Works, together with the reports of the various Railroad Presidents, before them in acting in the matter. He moved to strike out "1 o'clock to-day," and insert the "Tuesday after the 1st Monday in December next."

The amendment was rejected by the following vote:

YEAS.—Messrs. Barnes, Blair, Candler, Carson, Eagles, Forkner, Gahagan, Gunter, Harris, of Franklin, Harris, of Wake, Hendricks, Hodgin, Hoffman, Horney, Kelly, of Moore, Kinney, Moore, of Chowan, Morris, Ragland, Renfrow—20

NAYS.—Messrs. Armstrong, Ashworth, Boddie, Clayton, Davis, Durham, Ellis, Forebee, Gibson, Grier, Hawkins, Hicks, High, Hinnant, Hodnett, Humphries, Jarvis, Justice, of Rutherford, Kelly, of Davie, Leary, Malone, Matheson, McCanless, McMillan, Mendenhall, Painter, Parker, Pou, Price, Robinson, Shaver, Siegrist, Smith, of Alleghany, Smith, of Martin, Smith, of Wayne, Snipes, Stanton, Sweat, Thompson, Vestal, Whitley, Wilkie, Wilson—43.

Mr. Durham offered an additional resolution: This committee shall have power to send for persons and papers, administer oaths and examine witnesses. Adopted.

Mr. Wilkie, moved to insert after the words "various Railroads," the words "Turnpike roads." Adopted.

Mr. Proctor moved to adjourn. Lost.

The resolution as amended was adopted.

The House then resolved itself into a Committee on the Whole.

Mr. Pou, being appointed by the speaker assumed the Chair, after briefly touching upon the matters to be debated.

[Proceedings of the Committee will be given Monday.]

THE SENTINEL.

CITY AND STATE ITEMS.

SATURDAY, NOVEMBER 27, 1869.

☞ THEO. N. RAMSAY, as Business Clerk, is authorized to make contracts and give receipts, &c., &c.

DR. THOMAS H. TURNER having returned to his old home, offers his professional services to the citizens of Hillsboro and vicinity. 3w

PROF. LEE'S LECTURE LAST NIGHT.—Tucker Hall was visited by a good audience last night to hear the Lecture of Prof. S. Adams Lee, on "God is the Ocean," a subject which was treated in eloquent style by the Lecturer. The audience, though not as large as it ought to have been, was composed mainly of that class of persons most capable of appreciating the sublime and beautiful, and we believe the universal sentiment was, that the subject was beautifully, eloquently, and gracefully handled.

THEY WON'T STAND IT.—The House of Commons resolved itself into a Committee of the Whole on yesterday, for the purpose of investigating alleged frauds in regard to certain Railroad bonds. Treasurer Jenkins was called to the Bar of the House, and on examination stated he had issued to the different Companies the bonds appropriated to them.

But Treasurer Jenkins was the wrong witness to call first. Gen. Littlefield should have been sent for; as, we have no doubt, when he is called he will be in Florida, or somewhere else out of the jurisdiction of North Carolina *Mark the prediction.*

We fear the House will not investigate this matter as it should. Mr. Moore, of Chowan, by his quibbling questions, seems disposed to throw difficulties in the way.

If the House continues the investigation in Committee of the Whole, it will produce a considerable stampede; we fear it will give even the Governor a nervous headache.

PERSONAL.—We have hitherto inadvertently omitted to notice the arrival in the city of Hon. E. J. Cantwell, the man who wore the first secesh cockade ever seen in Raleigh, and who was afterwards Confederate military Governor of the city of Norfolk, and now, by the grace of Radicalism, Judge of the Special Court of Wilmington. He visits the city, we presume, to induce the Legislature not to plug up the snug hole that was made for him at Wilmington, but to continue to afford him an opportunity of procuring his rations, which the Legislature has shown some disposition to cut off.

SOMETHING WRONG.—"Something has got into the sun, moon, stars and earth, which has upset their usual line of conduct." *Standard*, 26.

We thought something of the sort had happened when we saw Pike and his friend going from Fraps' toward the *Standard* office, the previous afternoon.

We were yesterday shown by Mr. S. D. Wait, General Agent of the Connecticut Mutual Life Insurance Co., a receipt for three thousand eighty-two dollars and ninety-eight cents, from a widow of a prominent citizen of Newbern, who died quite suddenly, from the bursting of a blood vessel. Mr. Wait tells us, although the party was insured but one year and one month, yet the company paid the $3,000 insurance and two dividends $82.98. He also states that this payment makes over twenty-three thousand dollars paid by the company in this State within less than one year. This shows how all important it is for the good people of North Carolina to be well assured, and that in a good and reliable company, like the Connecticut Mutual, which has passed the period of probation and experiment, and stands now strong in itself, and imparting strength instead of needing it. See new advertisement.

Self Advertised.—PHALON'S VITALIA OR SALVATION for the Hair caries with it its own best advertisement. As the light shines through the bottle you see that the liquid is clear as the azure of heaven. You smell it and find the odor agreeable. You apply it and it changes gray hair to any natural shade without soiling the scalp or producing headache. Nothing can be more harmless.

Is selecting a company in which to take a policy of life insurance, "he is the wisest man who, apart from all glitter and show, to say nothing of false pretence, reasons to himself, 'which one of all the companies affords, by reason of past experience and present inducement, the strongest and surest guarantee that my insurance shall be productive of the largest possible benefits?' The necessity of the pointing out the wisdom or the advantage of insuring one's life, no longer require exhortation. The problem is not whether a life insurance is desirable, but, given the amount which every man can afford to pay for a policy, the question which presents itself is, 'which *company will give the best and cheapest guaranty?*' That company is the CONNECTICUT MUTUAL.

A SPLENDID PUMP.—By reference to an advertisement in another column, it will be seen that Mr. J. L. Kitchen, of Pittsboro, has obtained the exclusive right to sell Balding's Patent Glass submerged Double-Acting Force Pump throughout the States of North and South Carolina. He is now getting ready to manufacture these pumps, and will furnish them to the public in any section. The reputation this pump has obtained over all others is sufficient evidence of its merit. The great virtue in it is that it has no friction, and it worked in a well in which there is no sand the packing will last fifteen years, and it will never get out of order.

Ladies suffering from any disorder peculiar to their sex, can be restored to health by using DR. LAWRENCE'S "WOMAN'S FRIEND." It purifies the secretions, and restores the system to a healthy condition.

SELLING OUT.

The introduction of a bill by Mr. Samuel Barnett of Person, for the sale of the State's interest in Railroads, will bring from Wall Street certain bond holders, who have been operating through General Littlefield for four years in the "Province of North Carolina." It was said by some who favored the late fraudulent lease of the North Carolina Road, that Littlefield and the Ring defeated the lease that they might buy the Road. It was actually stated in the Stockholders, meeting to consider the lease, that McClure's bid, offering twenty-five thousand a year more than the Raleigh and Gaston Road had agreed to give, was in fact, a bid of the Ring, that they might defeat the lease. We stated last session that Sweet's Committee on bribery and corruption had kept Littlefield out of the city, and therefore he did not have a fair chance to get the bill through for a sale of the Road.

We hardly think that Littlefield, now that he is present, will be able to buy up enough members for the sale of the Road; there were less than twenty for it last session.

The committee who located the Penitentiary on Deep river, we would put down as for it. Willie D. Jones and some members along the line of the Raleigh & Gaston Road we would put down as for it, also.

Gen'l. Phill Hawkins was elected, we think, with the view of selling or leasing the Road. General Phill is a working man and he will not hesitate to use the necessary ways and means to accomplish the sale or lease.

There was enough State bonds out to make the Wall Street swindlers rich; they would have made no great effort to sell its Road but their fruit rotted before it was ripe. State bonds are rotten. A gentleman from New York tells us so far from State bonds being worth 33 they are actually not worth 23. There is no market or sale for them, and none to be obtained yesterday at 44½, hence it is that Wall street and Littlefield must have your Railroad property. Your bonds, we say, have rotted in their pockets, the Railroads will give to these Shylocks the power for all time to come to rob the people of the State who travel, or cultivate the soil of North Carolina.

We look upon the sale of Railroad property of the State as the last calamity that can fall upon a corrupt, spirit-broken, bankrupt people. The honor and credit of the State has by corruption and the sword been taken from the native born and given to the unholy keeping of Holden, Littlefield, Abbott, Ludlin, Dawson, Heaton, Ashley and the defaulter Estes with their carpet bag allies. Her honor and her credit lie prostrate in the dust.

The fruit the people now eat is of the tree these ingrates planted, its thorns tear them and they can but bleed, the people should have known what fruit would spring from such a seed.

For the Sentinel.

EUREKA!

MR. TURNER:—The ancient Romans cultivated the science of Legislation with so much care and refinement that they had laws to instruct them how to make laws; we have borrowed many valuable suggestions from the Roman Jurisprudence, but would appear to have neglected this suggestions provision to our sorrow.

Ignorant and unconstitutional legislation, has already cost the State tens of thousands of dollars, and the costly blundering still continues. It is a matter of public notoriety that one half the members of the General Assembly are destitute of a solitary qualification for the important duties devolving upon them; and as there is no likelihood of any general improvement, so long as the Radical party maintain its grip on the government, which may be for years, every good citizen ought to be looking about for a remedy suitable to the unhappy dilemma I have found one—an excellent one!—and as you have great influence with the Governor and his "boys" in the Capitol, I'll thank you to mention it to them.

Let the Constitution be amended so as to provide for the election of State officers, and Representatives, eighteen months in advance of their term; let each member elect be required to report to Prof. Pool, at Chapel Hill—if he dont report, send a colored militiaman after him; let the assembled officers and Representatives be penned up in the halls and dormitories of the University, and authority be given the illustrious faculty of the Institution, to experiment, to the best of its ability in developing "young ideas," during the eighteen months. The State, of course, to bear all expense. Dont you see the wisdom and sagacity of this plan at a glance? If not I will explain further.

By this method, triple objects would be accomplished. Every legislator would be taught to read, write, and cypher; the University would be sustained, and Solomon's heart made glad; and the people might feel satisfied that their Representatives had been in the State at least eighteen months, previous to entering upon their duties, and that they hadn't been at any mischief during that period. The session might terminate three weeks before the assembling of the Legislature in order to allow any members, residing in the State, to go home to their wives. The benefits of the method might be extended by providing for a course of lectures, by distinguished living orators, jurists, and sages. Let Judges Tourgee, Watts, and Jones be appointed to expound the principles of constitutional law, twice a day, six days in the week, for the benefit of the graduating class. Maj Marcus Erwin might open the course with an address entitled "*Omnia reliquit servare Republicam*" he left all things to serve the Republic (in office); to be followed by Prof. Ashley's great apostrophe to the carpet-bagger—"*Omnia mea mecum porto!*" (all that is mine I carry with me.) Hon. Wm. Coleman, whose narrow escape from an intoxicated colored female in Cabarrus county is well known by the public, would doubtless contribute an "opinion" throwing much light upon that dark transaction. Maj. Smith might read an essay on the "science of Railroading, as applied to personal interests;" or if other wise engaged, perhaps Gen. Littlefield might find time to treat that subject. Senator Stephens would take pleasure in illustrating the "triumphs of virtue," by sketching the career of a modest colored man from the chicken coops of Caswell to the floor of the Senate. The session closing with a grand panoramic view of the political history of North Carolina, by W. W. Holden & son, entitled, "The summersault, or how to be always turning and always right side up."

But this is a mere outline of the plan I would suggest. Doubtless, it could be improved, and would be very popular with the Legislature. Please urge it.

WIDE AWAKE.

Tribute of Respect.

At a special meeting of Johnston Caswell Lodge No. 10, held Nov. 10th, 1869, a committee was appointed to draft resolutions to the memory of Brother WILLIAM A. JENKINS, who reported the following which was unanimously adopted.

WHEREAS it has pleased Almighty God, the Supreme Ruler of the Universe, to remove from our midst, our lamented brother COL. WILLIAM A. JENKINS, therefore be it,

Resolved, That in this allwise visitation of Divine Providence in the death of our beloved friend and member, we yield with the keenest regret and most heartfelt sorrow.

Resolved, That by this bereavement the community has lost one of its best citizens, his profession one of its brightest ornaments and our fraternity a type and consistant member.

Resolved, That we will ever revere the memory of his many virtues, and strive to emulate his bright example in our daily walk and conversation.

Resolved, That to the afflicted family we offer our tenderest sympathy, and gently point the sorrowing widow to Him who tempers the wind to the shorn lamb, for consolation in this her irreparable loss.

Resolved, That the members of this Lodge wear the usual badge of mourning for thirty days.

Resolved, That a copy of these resolutions be sent to the family of the deceased and to the *Living Present* and Raleigh *Sentinel* for publication.

COMMITTEE.—Jno. M. Waddill, W. A. White, J. R. Johnson.

One among the largest and best assortments in the City. Come pull off your old shoes, throw away those that are worn out, and put on a new pair. Keep your feet dry, and preserve your health. Always come to Creech's before you buy.

Ladies and Misses' Hats! Hats!

No use to talk. The style has changed. Spring and Summer styles are out of vogue; so go to CREECH'S. HE ALWAYS KEEPS THE NEW STYLES.

LADIES' BONNETS.

Some small enough; some large enough; some trimmed; some untrimmed. It won't do you any harm to call at Creech's before you buy.

CLOAKS AND SHAWLS.—A Fine Assortment.

Now don't you think you had just as well step over to CREECH'S, and look. Probably you will save time and money. In fact, that is just the very place to get the worth of your money; and permit me to tell the people, that when they visit the City, to COME TO CREECH'S, for thousands who have come, acknowledge the truthfulness of my assertions.

I have more to say to you, but will tell you the balance at my place of business.

SCHOOL BOOKS.

The Most Eminent Teachers in North Carolina DECLARE EMPHATICALLY IN FAVOR OF

The National Series of School Books,

WHICH WERE

Adopted by the State Board of North Carolina, Sept. 9, 1869. UNANIMOUSLY

Adopted by the State Board of Alabama, Aug. 18, 1869. UNANIMOUSLY

Adopted by the State Board of Louisiana, July 17, 1869.

☞ By reference to the accompanying lists of Text Books used in the Schools of North Carolina in 1855 and those adopted this year, it will be seen that, in nearly every important particular,

THE OLD NORTH CAROLINA STANDARD IS RETAINED.

1869.	1855.
The Present Standard	*The Original Standard*
Adopted by the Board of Education.	**Recommended by the State Superintendent,**
Parker and Watson's Spellers.	Webster's Ele'y. Spelling Book.

Davies' Written and Practical Arith's.	Davies' School Arithmetic.
Monteith's Series of Geographies.	Monteith's Manual of Geography.
McNally's School Geography.	McNally's School Geography.
Monteith's History United States.	Bullion's English Grammar.

From Rev. C. H. Wiley formerly State Supt. of Education.

Bristol, Tenn., Oct. 14, 1869.

I had seen by the papers what had been done by the Board of Education in North Carolina and was glad, I had ample reasons for my former recommendations in the use of the books in our schools.

These Books are Used by the Best Schools in the State.

Late Testimonials in Brief.

It affords me great pleasure to bestow on them my heartiest commendation. They are vastly superior to any other books of the kind I have yet seen.—W. H. Weathersly, Prin. Class. and Math. School, Elizabeth City, Oct 25, 1869.

Send me ten Davies' Intellectual Arithmetics for introduction. They are superior to any I have seen.—W. F. English, Mount Olive, Oct 20, 1869.

I intend using the same books in my school as those used in the Common Schools. * * I am already using Monteith's Geographies.—John D. Johnson, Yadkinville, Sept. 28, 1869.

I am and have ever been an earnest advocate of uniformity in school books. The Board recommendations—Arithmetics and Geographies—are the best that could have been made.—H. E. Smith, Lincolnton, Sept. 28th, 1869.

Because these books are adopted by the State Board, as well as for the merits of the books themselves, we wish to introduce them, and use them exclusively in our school.—Rev. S. C. Alexander, Charlotte, Oct. 11, 1869.

Steele's "Natural Philosophy" received. Am struck with its superiority to the other in many respects. As a class is waiting, substitute in my order steele's Philosophy for first introduction. —G. W. Jewett, Wilmington, Oct. 13, 1869.

Davies' Mathematics was adopted by me in 1858, and up to this time I have examined no work superior to them. I have examined McNally's Geography and Peck's Ganot's Natural Philosophy. I consider them most excellent works and shall put them into my boys' hands at the earliest period.—J. E. Drueker, Prin. Male Academy Warrenton.

It is my purpose to introduce Monteith's (No. 4) into my school. I give it the preference for the information which it gives on the subject of Physical Geography. The maps and questions in both works (Monteith and McNally) seem to me to be admirable.—Rev. Albert Smedes, D.D., Rector of St. Mary's, Raleigh.

The system of Geography—Monteith and McNally—I am well pleased with.—Rev. Wm. S. Lacy, Raleigh.

Davies' Arithmetics, Monteith's Geographies and the National Readers are too well known to require a word from me. Monteith and Davies are the best that I am acquainted with.—Prof. Frank Vaughan, Elizabeth City, Oct. 11, 1869.

I have waited patiently for the adoption by the Board of Education of this State of the books to be used in the public schools, and am much pleased to find that so many have been selected from the National series.—Rev. W. L. Miller, Charlotte, Oct. 1, 1869.

Am much pleased with both the Spellers and all the readers; and as to the Series of Geographies, I have long used no others when these could be obtained.—Dr. Wm. B. Harrell, Prin. High School, Snow Hill.

The introduction of so much valuable matter on the subjects of Physical Geography and Geology, and in a form so simple and intelligible makes it, (Monteith's Intermediate Geography) in my judgment, a charming school book.—Jos. Wm Bingham, Prin. Bingham School.

I design introducing McNally's Geography and Davies' University Arithmetic.—Dr. Closs, Prin. Durham Academy.

Will introduce the University Arithmetic next term. An admirable work.—M. L. Little, Prin. Pleasant Hill Seminary, Newton.

Monteith's Geographies are excellent works, and I shall introduce them into my school.—Atticus Ivey, Prin. Auburn Academy.

The superior and durable style of binding of your works is a very great recommendation—one with which I have long been favorably impressed.—Prof. Wm. A. Obenchain, late Hillsboro' Military Academy.

I have introduced your National Series of Readers. We find them to be excellent, just suited to our purpose. With Davies' Mathematical series we have been long familiar, and can find no good reason for changing them. In the Primary Department we have Monteith's Geographies.—Rev. G. D. Brandeis, Prin. Female Seminary, Mount Pleasant.

The National Series of Readers and Spellers are the best with which I am acquainted. I shall henceforth use no others in my school. I use Davies. I consider his works incomparably superior in many respects. Monteith's Series afford a gradual but thorough and systematic progression.—Prof. Jos. H. York, President Stanlonsburg Scientific High School.

I regard Monteith's Physical and Intermediate Geography as one of the best books of its kind. It has several points of superiority over most primary Geographies; Geography is here treated from the only true and rational standpoint, viz: of Geology and Physical Geography.—Prof. W. C. Kerr, State Geologist of North Carolina.

Mr. Taylor Johnson, Olive's Chapel, has introduced the National Readers, Monteith's Geographies, Davies Arithmetics, Clark's Grammars, etc.; Mr. John Franks, Grove P. O., has introduced the National Series throughout; Mr. W. A. Branch, New Hill P. O., uses the National Series throughout; Mr. Adolphus Rogers, Green Level P. O., uses the National Reader, Copy-Books, Monteith's Geographies, and York's Grammar; Mrs. Emma Bangham, Cary P. O., uses the National Series; Dr. H. C. Olive, New Hill P. O., introduced Monteith's Geographies. There are now at least 250 pupils in Wake and Chatham counties who are daily using the National series of books, within my knowledge.—Prof. W. B. Mebane, Chatham county, Sept. 14, 1869.

I am glad to learn that some of your books are to be introduced into our State Schools.—Prof. J. M. M Caldwell, Greensboro' High School, Oct. 23, 1869.

Distinguished Editors and Critics Praise Them.

The Series must prove acceptable. The structure of language is beautifully exhibited.—Fayetteville *Presbyterian*.

This firm will allow no competition in the price of books published by them when are among the best in the State.—Statesville *American*, 1868.

Have a reputation for merit unsurpassed.—Statesville *American*, 1869.

Peculiarly adapted to supply the wants we have long felt.—Greensboro' *Patriot*.

Have acknowledged superiority by the most competent judges.—Western *Sentinel*.

Davies is excellent in the first degree.—Wadesboro *Argus*.

Are excelled by none of the many used, and they are superior to most of them.—Newbern *Journal of Commerce*.

When we examine the bright pages of the National series, and think how we groped along the dry and uninteresting "back" of our boyhood, we are constrained to be envious of the happy pupils of the present.—Wilmington *Post*.

The National Series has attained probably a higher reputation than any other complete series of School Books now in existence.—Wilmington *Herald*.

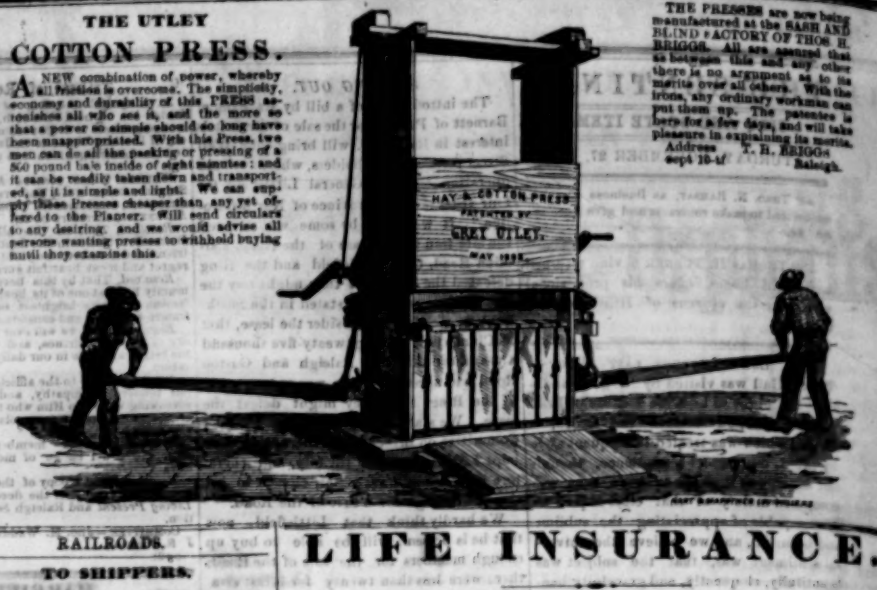
THE UTLEY COTTON PRESS.

A NEW combination of power, whereby all friction is overcome. The simplicity, economy and durability of this PRESS astonishes all who see it, and the more so that a power so simple should so long have been unapprepriated. With this Press, two men can do all the packing or pressing of a 500 pound bale inside of eight minutes: and it can be readily taken down and transported, as it is simple and light. We can supply these Presses cheaper than any yet offered to the Planter. Will send circulars to any desiring, and we would advise all persons wanting presses to withhold buying until they examine this.



THE PRESSES are now being manufactured at the SASH AND BLIND FACTORY OF THOS. H. BRIGGS. All are assured that as between this and any other there is no argument as to its merits over all others. With the irons, any ordinary workman can put them up. The patentee is here for a few days, and will take pleasure in explaining its merits. Address T. H. BRIGGS sept 16-tf Raleigh.

No Restrictions as to Residence and Travel in the United States.

RATES LOWER THAN ANY OTHER COMPANY THAT PAYS DIVIDENDS TO POLICY-HOLDERS.

IT ISSUES ALL THE VARIOUS FORMS OF LIFE AND ENDOWMENT POLICIES.

LOSSES PAID PROMPTLY IN CASH.

LIST OF LOSSES ACTUALLY PAID BY THE ÆTNA LIFE INS. CO., AT THE BRANCH OFFICE, IN RALEIGH, BY THE HANDS OF W. H. CROW, GENERAL MANAGER OF THE STATE AND PART OF VA.

And $5,000 ready to pay a loss of No. 34,161, as soon as the party authorized to receive the money appears.

The Company has been well tested throughout the State, as to its promptness in paying her losses, reliability, &c.

DIVIDENDS PAID AT THE END OF THE FIRST YEAR, AND ANNUALLY THEREAFTER.

Its ratio of expense to income is extremely low. This may be seen by reference to the Official Reports for 1868. For example:

EXPENSE ON THE $100 RECEIVED.

Knickerbocker,	$16,34
Equitable,	17,44
North America,	21,16
Brooklyn,	21,99
Universal,	27,34
John Hancock,	18,27
The National,	62,48
The Ætna,	13,41

It has an IMPORTANT NEW FEATURE that has been copy-righted. According to this plan the rates are MUCH LOWER than in any other Company in the world.

Its ratio of Mortality is low. Its rates are very low. Its expenses are very low. Its dividends are large.

It insured more lives in the City of New York in 1868, than any other Company, except one. It issued more Policies in the United States than any other save one. It insured more lives in Canada than any other Company, British or American.

See what the HIGHEST INSURANCE AUTHORITY in this country says. In the June number of the *Insurance Times*, of New York, the following opinion was expressed:

"If there is any great benefit in mutual association, any great advantage to be derived from scientific organization and a chartered source, tending to mitigate the sufferings, lessen the privations, and add to the peace, security, and happiness of humanity, we are prepared to show that these blessings flow, in all their fullness and purity, from this excellent, powerful, and flourishing Company, the ÆTNA LIFE, of Hartford."

"No institution has brought more prompt, full, and grateful relief to the hearths of the bereaved and desolate, and none has been more uniformly distinguished for the enterprise, wisdom, and equitable liberality with which it has fulfilled the purposes of its formation."

"Its success has been almost unbounded and beyond all precedent. Eight years ago, in 1861, it issued only 589 policies, received an income of seventy-eight thousand dollars, and possessed net assets summing up to something over two hundred and eighty-one thousand dollars; but last year, 1868, it granted 13,337 new policies, more than any other Company, except the Mutual Life; received an income exceeding six million dollars, and had amassed solid, securely and profitably invested nett assets amounting to over Ten Million Three Hundred and Fifty Thousand Dollars. And this wonderful ratio of growth has been sustained in 1869."
